## WORK EXPERIENCE

### HUAWEI

December 2024- Ongoing

#### PRODUCT MANAGER

Acting as a bridge between customers, technical teams, and R&D to align network solutions and product strategies with evolving client needs. Exploring Huawei Cloud technologies by developing projects using Docker, Kubernetes, and serverless solutions, supported by **AWS**, **Kubernetes**, and **Google** certifications.

**Key Skills:** Customer Engagement, System Analysis, Cloud Computing, REST APIs, Kubernetes, Docker, Git, Agile

### SOLVIA DIGITAL SOLUTIONS

July 2023 – September 2023

#### SAP DATA ANALYST INTERN

Analyzed and visualized SCADA data to optimize production performance, applying big data analytics techniques and KPI monitoring. Gained experience in AI-driven solutions through machine learning certificates, such as **Advanced**, **Unsupervised**, and **Supervised**.

**Key Skills:** Agile, JSON, Data Cleaning, SCADA, KPI Monitoring, Big Data Analytics, Tableau, Fraud Detection

### SCHNEE GRUPPE

July 2022 – September 2022

#### AUTOMATION ENGINEER INTERN

## EDUCATION

### Yildiz Technical University

Bachelor's Degree in Control and Automation Engineering

Fall 2017 – Fall 2024

### Universität des Saarlandes Saarland, Germany

B.Sc. in Systems Engineering (Erasmus Exchange)

2022 April – 2022 December

### Tekirdag Ebru Nayim Science High School

Fall 2013 – Summer 2017

**KEY PROJECTS, More details and other projects, visit my portfolio [borakgul.com](https://borakgul.com) and [GitHub](https://github.com).**

- VisaFlow – Visa Appointment & Document (Java Spring Boot, PostgreSQL, AWS S3) March 2025 – Ongoing
- Anomaly Detection Alert System (Python, Linux, ML, Logging&Monitoring)
- OtoparkSystem (.NET Core + SQL Server+AWS S3+EC2+ClickAnalysis)

## ACTIVITIES & AWARDS & VOLUNTEER EXPERIENCE

- Co-Founder, Istanbul Technical University Darts Club
- Erasmus+ St. Marteen Youth Exchange Program
- European Youth Parliament (EYP)
- KaggleHousePredict, TOP%4 Award

## SKILLS & INTERESTS

**System Analysis:** SQL, AI, Tableau

**Cloud Cmppt:** AWS, Huawei Cloud, Instances, Deployment

**FullStack:** MERN, Python, JavaEE, Hibernate, REST APIs

**DevOps** Docker, Kubernetes, Linux, Git, CI/CD

**Data Science:** Python, TensorFlow, Pandas, NumPy

**AI:** HuggingFace, Model Training, Unsupervised, Agents

**Interests:** Darts, Chess, Sports, Historical Exploration / Travel

## COURSES AND CERTIFICATES

 Google Cloud: Core Infrastructure **Certificate**

 Huawei Cloud HCCDA-Tech **Essentials**

 IBM Containers with Docker, Kubernetes & OpenShift **Certificate**

 AWS Cloud Technical Essentials, Amazon Web Services **Certificate**

 Turkish Airlines Aviation Academy, Take Off Academy **Certificate**

 IBM DevOps and Software Engineering **Certificate**

 Unsupervised Learning, Recommenders, Reinforcement Learning **Certificate**

 Advanced Learning Algorithms **Certificate** Supervised Machine Learning: Regression and Classification **Certificate**

 IBM Data Science **Bootcamp**
